**A 15 minute question and answer session is included with each speaker's presentation.*

Objectives

At the conclusion of this course, participants will be able to:

*review the most common medical co-morbidities in female patients with psychiatric illness and provide appropriate medical care or make appropriate referral.

*describe the role of thyroid and reproductive hormones in depression and determine whether referral should be made for further evaluation when hormone related issues are suspected in patients with depression.

*recognize the signs and symptoms of both historical and ongoing trauma/abuse in female patients and explain how to assist patient through appropriate referrals and other interventions.

INDIANA UNIVERSITY

SCHOOL OF MEDICINE

Accreditation Statement

This activity has been planned and implemented in accordance with the Essential Areas and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint sponsorship of Indiana University School of Medicine (IUSM) and the Indiana Psychiatric Society. IUSM is accredited by the ACCME to provide continuing medical education for physicians.

Designation Statement

IUSM designates this educational activity for a maximum of 4.0 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

For Social Workers, Clinical Social Workers, Marriage and Family

Therapists, and Mental Health Counselors: the IUSM is accepted as a provider of approved continuing education units (CEU). A certificate of attendance will be provided to all participants. Verification of the acceptance of CME credit by outside agencies is the responsibility of the registrant.

Faculty Disclosure Statement

In accordance with the Accreditation Council for Continuing Medical Education (ACCME) Standards for Commercial Support, educational programs sponsored by IUSM must demonstrate balance, independence, objectivity, and scientific rigor. All faculty, authors, editors, and planning committee members participating in an IUSM-sponsored activity are required to disclose any **relevant financial interest or other relationship** with the manufacturer(s) of any commercial product(s) and/or provider(s) of commercial services that are discussed in an educational activity.

Note: while it offers CME credit, this activity is not intended to provide extensive training or certification in the field.
